

CAMPO SFY 2024 Annual List of Obligated Projects

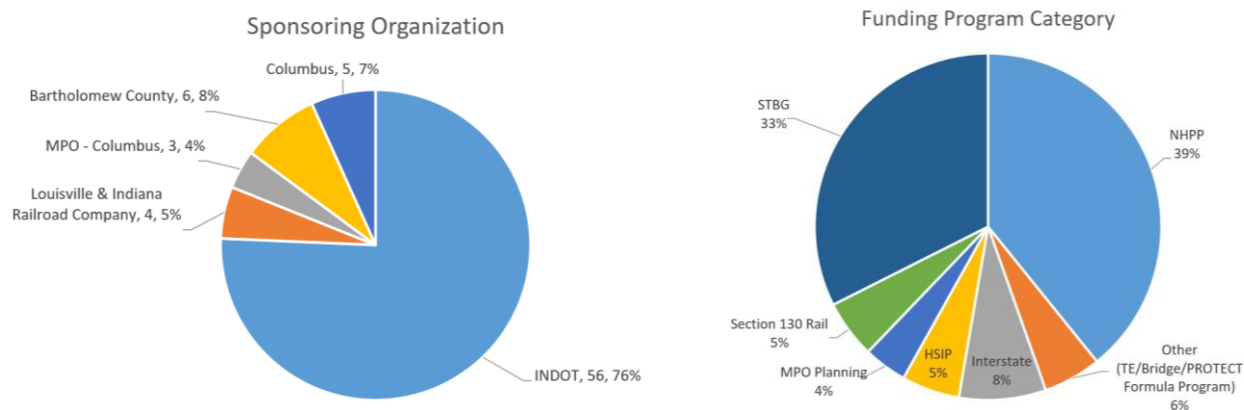

The Columbus Area Metropolitan Planning Organization (CAMPO) is responsible for transportation planning in Columbus and Bartholomew County. CAMPO prepares an Annual List of Obligated Projects (ALOP) for which federal funds have been obligated the preceding year, no later than 90 days after the end of the State Fiscal Year. An obligated project is a transportation project which has received authorization to proceed by the appropriate federal agency. The authorization represents a commitment to pay the federal share of a project's cost. The ALOP is required to be prepared and made public by the FAST Act to make the public aware of how federal transportation funds are spent.

CAMPO's ALOP for State Fiscal Year 2024 includes funding that has been obligated for planning purposes (4%), and for construction projects (96%). Construction projects are sponsored by Local Public Agencies (LPAs) such as the City of Columbus and Bartholomew County (15%), The Louisville and Indiana Railroad Company (5%), and by INDOT (76%). INDOT projects in the CAMPO Metropolitan Planning Area (MPA) that have been obligated are also included in the ALOP. The boundaries of the MPA are contiguous with the boundaries of Bartholomew County. The two LPAs in the MPA do not always have an obligated project every year.

Projects for which funds have been obligated are not necessarily initiated or completed in the program year, and the amount of the obligation will not necessarily equal the total cost of the project. Funding categories for CAMPO projects in the FY 2024 ALOP include Surface Transportation Block Grant (STBG), National Highway Performance Program (NHPP), Highway Safety Improvement Program (HSIP), and Metropolitan Planning Organization (MPO) Planning funds. The chart below includes the full list of funding sources and breakdown.

The ALOP is consistent with the project listing in the Transportation Improvement Program (TIP) including project number and description, the amount of funds programmed and the funding source. More information about the TIP may be found on the CAMPO website at the following location:

<https://www.columbus.in.gov/planning/tip>.
